## ABOUT

Coding Bootcamp graduate, now looking for an entry level web developer role or apprenticeship.

Broad range of technical ability and lots of experience using the MERN tech stack. Built and contributed to projects in self starting and collaborative Agile environments, developing strong soft skills such as; problem solving, communication skills and collaborative ways of working; Kanban, timesheets, Trello, version control, GitHub. I have a solid grasp of the web development project life cycle; documentation, design, planning sprint, executing sprint, and meeting deadlines.

## EDUCATION

### CodeNation - Master Coding Bootcamp - Manchester Campus

12 week full-stack web development bootcamp.  
2021-2022

### Udemy - Complete Web Development Course - Angela YU

Comprehensive full-stack web development course ; HTML, CSS, JavaScript, Node, React, MongoDB.  
2021

## SKILLS AND EXPERIENCE

### Front-end development and Core programming concepts

- **Command line** and **GIT version control**
- Fundamental coding principles using **JavaScript, HTML & CSS**
- Developed responsive, functional web pages and applications using; semantic HTML, custom CSS styling and a broad range of JS concepts such as DOM manipulation, OOP and Asynchronous JS. **Testing using Jest.**
- **REACT.JS**; developed full-stack React applications using custom function components. Used third party React packages via NPML.
- **Bootstrap** used when development time was more important than customisation or when learning focus was away from UI.

### Back-end development. Node, web servers, API'S, databases.

- Executed JavaScript within a **Node.JS** environment and performed **CRUD-operations** on a **MongoDB** database from a **Node.js** application
- Created basic **web servers** and **REST API'S** using **Express.js**
- Implemented basic **authentication systems** in a Node.js web server
- **MySQL**; Created simple Node.js applications that use MySQL on the database layer. Applied constraints to table columns, Used Logical operators and Case statements

## PREVIOUS WORK EXPERIENCE

### **Stock Controller - 01/2020 to 07/2021**

#### **Doric FPD - Burnley**

- Creating locations for new stock and bin transferring using in house software.
- Condensing stock to create space and managing returned and damaged items on an excel database.
- Promoted quickly to the goods in and returns department. Liaise with management and head office staff regarding returns/refunds and back to stock quality checks.
- Picking and packing customer orders using netsuite application

### **Stock Controller - 01/2017 to 11/2019**

#### **Boohoo - Burnley**

- Allocating warehouse locations for stock using a scanner and bar-code system.
- Picking orders for dispatch, ensuring items are packed and suitably protected for transit.
- Using in house software to process e-commerce orders.

### **Support Worker, 06/2014 to 05/2015**

#### **Creative Support - Burnley**

- Providing individualised person centred support to service users living in supported housing including; finance management, appointments, diet and personal hygiene.
- Promoting the self esteem, happiness and emotional health of clients.
- Key support worker for service users.
- Trained in substance abuse, co-occurring disorders, and the effects of employment, social and housing issues on mental health.
- Maintaining service user files and completing care plans, risk assessments and support summaries.
- Working alongside partner agencies such as social workers, health professionals, and emergency services.

### **Stock Control / Warehouse Operative, 03/2012 to 05/2014**

#### **Exertis - Burnley**

- Responsible for receiving goods and checking for damaged or missing items.
- Allocating warehouse locations for stock using a scanner and bar-code system.
- Picking orders for dispatch, ensuring items are packed and suitably protected for transit.
- Weighing and labelling packaged goods with the relevant paperwork.
- Maintaining accurate stock levels using excel and in-house systems
- Orderly using filing systems whilst ensuring they are up to date and correct.

### **Support Worker, 04/2011 to 03/2012**

#### **Spring Cottages Social Care - Burnley**

- Providing personal, social and tenancy related support to clients to help maintain control of their lives, retaining independence and dignity.
- Assisting patients with bathing, oral hygiene, grooming, feeding and elimination.
  - Helping patients move in and out of beds, baths, wheelchairs and cars.
  - Providing counselling to clients whilst respecting their right to privacy and confidentiality.
  - Liaising with district nurses and community outreach.
